

**UPDATED DIRECTIONS TO THE EASTERN MISSOURI BEAGLE CLUB HOUSE FOR THE MINNESOTA DACHSHUND CLUB AND THE DACHSHUND CLUB OF ST. LOUIS FIELD TRIALS TO BE HELD NOVEMBER 2, 3, 4, 5, 2017 (THURSDAY THRU SUNDAY)**

Highway H out of Troy, Missouri has ongoing construction between Troy and the Beagle Club. The bridge over the Cuivre River is **closed** until sometime in November and is impassable. In order to get to the club house you will need to follow the new directions listed below.

Coming from Interstate 70. You take Highway 61 North. Take Highway 61 North past the intersection of Highway 61 & 47 at Troy, Missouri. You will continue north on Highway 61 for about 10 more miles. You will come to a blinking yellow light. This is a road that turns onto Highway E and the sign will also say Silex. Turn left from the northbound lane (will need to cross over the southbound lane of the highway) onto Highway E. From this point the small town of Silex will be about 3 to 3 1/2 miles down Highway E.

**Very important you obey the speed limit in and around Silex It is well known for handing out speeding tickets**

About one mile out of the town of Silex you will see a Grain Elevator on the left. On the other side of the grain elevator you will see a turn off for Highway H. Go Left (south) onto Highway H. You will go about 4 miles on Highway H and will see a large white cross in a cemetery on the left. At this point you need to slow down because the turn off onto Tagg Road will be to the right after you go past the white cross. Turn right onto Tagg Road. The Eastern Missouri Beagle Club has a red and white sign that has EMBC on it at this turnoff.

If you are coming from the south on Highway 61 look for the blinking yellow light at the road that goes onto Highway E and has a sign for Silex. Follow the rest of the directions after you get onto Highway E.
